

# Terms and Conditions

## 1. Scope of Work

We are an ethical clearance company offering services that include surveying, quoting, and ethical clearance, relocation projects. Upon confirmation of our quote, the following terms and conditions apply.

## 2. Purchase Order and Payment Terms

**2.1 Purchase Order Requirement** Upon acceptance of our quote, a purchase order must be provided, including the following details:

- Company name
- Company address
- Invoice account details
- Accounts contact information
- Confirmation of the agreed price

## 2.2 Payment Terms

- Payment is required within 14 days of job completion unless otherwise agreed upon for larger projects.
- For larger projects extending over a period of time, periodic payments will be required for work completed within certain periods. These payment schedules will be detailed and agreed upon prior to project commencement.

## 3. Project-Specific Terms and Conditions

All terms and conditions are project-specific and can be discussed with the Project Managers (PMs).

## 4. Site Issues and Delays

### 4.1 Site Access and Egress Issues

- Any site problems, access or egress issues, such as lift breakdowns or loading restrictions not previously informed, must be rectified before work can continue.
- Any delays caused by issues beyond our control may incur additional charges, which will be billed to you until the works can proceed.

### 4.2 Unforeseen Delays

- Delays that are not due to our negligence and are out of our control, including but not limited to mechanical failures, restricted access, or similar issues, may result in additional charges.

## 5. Amendments

These terms and conditions may be amended for specific projects. Any amendments will be discussed and agreed upon with the PMs before implementation. By confirming our quote and providing a purchase order, you agree to the above terms and conditions.
